

Artstamp – Guest Artist Index 2009–2026

The Artstamp Guest Program was initiated in 2009 as an extension of the Artstamp.dk project founded by artist Sam Jedig in 2007.

The program invites artists from different generations and practices to produce original artist stamp editions within the established Artstamp format.

This publication provides an alphabetical index of artists who have contributed editions to the Artstamp Guest Program.

More than 75 artists have contributed editions to the Artstamp Guest Program since 2009.
